ABOUT ME :

My name is Aryan Mittal

My age is 16yrs

I studied in Amity International School. Painting is my pleasurable activity which I like to do in my leisure time. It relaxes me whenever I feel stressed or bored.

OBJECTIVE:

My goal is to showcase my recent and notable work. Painting is my passion. I see beauty in all things and I paint what I see.

SKILLS:

I have been
painting for
4 years. My
preferred
medium is
watercolours.
I love the
subtleness of
these

Title: Village Barber

Description:

A simple rural scene painted in folk style, showing a barber sitting under a tree to give his services. Bright colours capture everyday village life.

Title: Delhi Bound!

Description:

A vibrant scene of passengers boarding a train from Delhi. The lively colours and simple lines capture the excitement of travel.

Title: Path to the Village Home

Description:

A bright village scene with huts, trees, and a winding path. Folk style shows simple rural life close to nature.

Title: Temple Dance Ritual

Description:

A folk art painting of devotees dancing with pure joy. I have used Bright colours and bold lines to show the energy of a festival.

Title: Krishna with Yashoda

Description:

A traditional folk art painting of little Krishna stealing butter from his mother Yashoda. Done in a simple, bold line style with flat colours, inspired by Madhubani art.

Title: Family Journey

Description:

A simple folk-style painting of a family at the railway station. Bright colours and loose brushwork show the excitement of travel.

Title: Market Day Buzz

Description:

A lively folk-style painting of villagers buying fresh vegetables. Soft colours and simple lines show the warmth of a local market scene

Title: Balloons at the Fair

Description:

A cheerful folk-style painting of a father buying balloons for his child. Bright colours show the joy of a village fair.

Title: Songbird in Folk Colours

Description:

A bright, decorative bird painted in folk style with detailed feathers and a vibrant yellow background. The design brings out the playful charm of traditional art.

Title: Roots of Hope

Description: A village scene showing a man planting a sapling—symbolizing growth, simplicity, and harmony with nature. soft colours and simple lines shows the routine village life.

Title: Call of the Wild

Description: A wolf howls beneath a tree under a vivid sky—capturing freedom, wilderness, and untamed spirit. Dark colours shows the beautiful midnight.
